In this RRC Two Day Course, **Technologies to Advance Your Business**, you will learn how to:

- Focus on the practical applications of today's technology to build a successful real estate business
- Develop a plan for your social media participation that highlights measurable business goals
- Develop strategies for sharing interesting, useful content with your connections
- Select effective web elements and features to include on your website
- Define a strategy for establishing a distinctive web presence
- Discover money-making contact management techniques
- Take email to the next level for various marketing campaigns
- Learn new and more effective ways to use digital imaging
- Examine and review today's presentation tools that eliminate the competition

Individuals who take this course will earn 16 CRS Education course credits toward the CRS Designation.
